Call to Order

The meeting was called to order at 7 AM.

Approval of Minutes and Bills

Motion by Janzen, seconded by Johnson, to approve April 23rd and April 27th Minutes and Check Numbers 24798 - 24832 (949E-965E). Motion carried.

Electric Department

The power plant is moving forward as planned, and parts are ahead of schedule. With Federated Broadband going in, a lot of time has been focused on the Gopher One locates for digging. Watkins, Peters, and Falk attended a utility operations training yesterday, with a second training taking place next week. Mueller provided a copy of the resolution to be signed to terminate the Midwest Municipal Gas Agency agreement. CMPAS is ending the agreement, as none of the utilities provides gas services. **A motion was made by Janzen to accept Resolution R-26-9 to terminate the Agency Agreement of the Midwest Municipal Gas Agency. The motion was seconded by Johnson and motion was approved.**

Water/Wastewater

The issue with the RO has been figured out. There was a low suction feed pressure error, which meant the VFD is bad. Hopefully, a new VFD can be found and installed within a few weeks. Once the RO is running properly again, then the membranes will be updated. Until then, personal water softeners will need to be used to improve the hardness. Nesmoe mentioned that the new Jetter that was demoed has been sold. There should be another available. It is slightly newer, with fewer hours, but also more expensive. A price quote with the trade-in will be calculated and presented. Nesmoe also mentioned that he is still trying to figure out the pond issues. They will be adding chemicals, and once the DO is up, then the bugs will be added again.

Adjourn

The meeting was adjourned at 7:10 a.m.

Pow Wow – Beer Garden Request

There was a request to have green wristbands for guests 21 and older and red wristbands for underage attendees in the beer garden. The City Attorney’s recommendation was that no underage individuals be permitted within the beer garden, as there is no intended purpose for their presence. The exception could be if food was offered within the beer garden and minors could be able to participate, which could justify allowing them access. However, that is not the case for this event, as the sole purpose of the beer garden is to contain alcohol consumption within a designated area.

Motion by Bargaen, seconded by Jack to restrict entry to the beer garden to individuals 21 years of age and older and to install a minimum 4-foot fenced buffer zone surrounding the beer garden. Motion carried 4 – 0.

City Administrator

The City of Mountain Lake owns parcels 110320202, 110280800, 124420012, 110280100, 110340203, and 110280901, that are outside municipal boundaries. Motion by Ysker, seconded by Jack to approve annexation of several parcels owned by the City of Mountain Lake, listed above, that are currently located outside the city limits. Motion carried 4 – 0.

City Council was not supportive of the Active Living demonstration project on 3rd Avenue and 12th Street North Intersection, creating bump outs. They would like to know of any other ideas that could be demonstrated instead.

Motion by Bargaen, seconded by Ysker to approve Resolution #10-26 Land Exchange. Motion carried 4 – 0.

Roundtable

An update was given to the council regarding board and commission meetings.

PLUM CREEK LIBRARY SYSTEM AGENCY AGREEMENT (Draft)

This agreement is made pursuant to Minn. Stat. §§ 471.59 and 134.20 and entered into by and among the counties of Cottonwood, Jackson, Lincoln, Lyon, Murray, Nobles, Pipestone, Redwood, and Rock; by the cities within said counties including: Edgerton, Fulda, Hendricks, Ivanhoe, Lake Benton, Lamberton, Marshall, Minneota, Morgan, Mountain Lake, Pipestone, Redwood Falls, Slayton, Tracy, Tyler, Wabasso, Westbrook, and Windom, each of which are political subdivisions organized and existing under the Constitution and laws of the State of Minnesota; and by the libraries established by said counties and cities; hereinafter collectively referred to as "Members", and individually as "Member" which are signatories to this "Agreement."

The Members have agreed that the extension and improvement of public library services within these jurisdictions can be accomplished as authorized and described within this agreement.

I. PURPOSE

- A. The signatory Members have come together under Minnesota Statutes to participate in a Regional Public Library System known as Plum Creek Library System, and to extend and improve library services for citizens who live in their jurisdictions. As such, the Members recognize the advantages of this collaborative effort, which include:
 - 1. Shared materials and resources for wider access;
 - 2. Collective purchasing of digital and other materials and resources, particularly those that would be financially difficult for Member Libraries to purchase individually;
 - 3. A stronger voice in advocating to regional, state and national funders and organizations;
 - 4. A forum to create new collaborations for programming and shared collections, as well as learn from each other's experiments, pilots, and explorations of new services, ideas, and processes.

- B. All Member Libraries are required to participate in these Plum Creek Library System collaborative efforts:
 - 1. The shared integrated library system (ILS) and public catalog of materials; and
 - 2. A delivery system to move materials among the member libraries.

- C. In addition, Member Libraries are encouraged to participate in other Plum Creek Library System collaborative efforts which may include, but are not limited to:
 - 1. Specialized collections that rotate among Member Libraries;
 - 2. Shared programming; and
 - 3. Technology support.

The resolution shall be adopted by the library's Board and the governing body of the municipality that established the library. A library that applies to enter into this Agreement to be a Member of the Plum Creek Library System shall pay for all expenses associated with joining the Plum Creek Library System if its membership is accepted by the Board of Trustees.

The Members of this Agreement are not liable for the acts or omissions of the other participants to this Agreement except to the extent to which they have agreed in writing to be responsible for acts or omissions of the other Members.
- C. In order to facilitate the above indemnification requirement, the Plum Creek Library System shall at all times maintain in full force and effect liability insurance sufficient to cover the limitations on liability provided under Minn. Stat. § 466.0. Additionally, Plum Creek Library System shall maintain in full force and effect workers compensation and vehicle insurance as required by law. Plum Creek Library System shall insure all assets against damage or loss so that the investment of the Members into the Plum Creek Library System assets is protected against such damage or loss.

°C	°F	Humidity (%)	Air Pressure (mbar)
22.33	72.20	74.33	1014.63

Siren data for this noise model includes:
