APPLY FOR REBATES

**COMPLETELY ONLINE WITH
YOUR PHONE OR PC!**

Rebates for AC units, furnaces, dishwashers, refrigerators, dehumidifiers, and much more will now be completely online through your smart phone or personal computer. Visit the following link energyinsight.p3.enertrek.com to begin this process or visit our website, www.mountainlakemn.com and click on 'City' and then 'Energy Rebates.'

For any questions regarding rebates, please call or email Doug Eli at deli@frontierenergy.com or at 763-222-3039.

Happy 4th of July!

City Hall will be closed on Friday, July 3rd in observance of the 4th. Enjoy the holiday!

GRASS MOWING

Please do not mow grass onto city streets and alleyways. The grass clippings flow through the city's storm sewer and into the lake which promotes the growth of curly leaf pond weed and other unwanted vegetation in the lake. Grass on properties that exceeds 8" in height will be notified and if not mowed timely, the city will mow the grass and the cost will be billed to the property owner or assessed to property taxes.

RVS ON PUBLIC STREETS

Friendly reminder that recreational vehicles (RVs) may not be parked on the roadway for more than 24 hours. Campers that are towable vehicles and parked on the street must stay connected to the tow vehicle. Thank you for your cooperation!

THE ONE CALL PROCESS

When you have a project that requires digging, your first step is to contact Gopher State One Call. You can do this by using GSOC's Homeowner Online Locate Request system or by calling the One Call Center.

(651)454-0002 -or- (800)252-1166

www.gsocsubmit.org

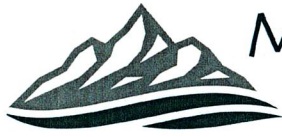

BE PREPARED

When you contact GSOC with a locate request, a series of questions will be asked.

- What is your name, address and phone number?
- What type of work will you be doing? (i.e. planting a tree, installation of fence)
- What is the dig location's address, city, county and nearest intersecting street?
- At the dig location, where will you be digging? (i.e. east side of house, within 5 ft radius of white stake.)
- When will you be digging? (i.e. 3 days, next week)

GET YOUR UNDERGROUND FACILITIES MARKED

Once you have submitted your dig information it is created as a "ticket" which is sent to any utilities that may have underground facilities in the area of excavation. Those utilities will send a locator to the site to either paint or flag the area in question.

Mountain Lake Area Foundation

An Affiliate of Southwest Initiative Foundation

PO BOX 123, MOUNTAIN LAKE MN 56159

Greetings from the Mountain Lake Area Foundation.

The Foundation Board greatly appreciates all you have done for the Mountain Lake community. We continue to see many grant applications for worthy projects in the community. Donations to our endowed and non-endowed funds are vital for us to keep funding these requests.

Since the Mountain Lake Area Foundation's conception over 20 years ago, we have granted nearly \$250,000 to worthy programs and projects in our own community. This includes:

1. City of Mountain Lake and Mountain Lake Chamber (\$100,500+) with recent awards going toward the Mountain Lake Public Library for a book repair machine, a police chaplaincy program and spray misters at City Park.
2. Christian and Public School (\$79,500+) with the most recent awards in the areas of gym wall mats, student swimming lessons, FFA Leadership Development Training, public school library books to be utilized in conjunction with an interactive program, and toward an elementary literacy program.
3. Food Shelf (\$20000+), Sanford Clinic (\$20000+), Heritage Village (\$20,500+), Mountain Lake Ambulance (\$10000+) plus a variety of other local organizations including Senior Dining, Good Samaritan Society, Sportsman Club, Lakes Commission, Cottonwood County Extension office, and Rebuilding Together Minnesota. Most recent awards were given to: United Community Action for a head start curriculum enhancement, DVHHS for a baby bundle program, and to Good Samaritan Society to update their facility wide television system

We are asking that you consider the Mountain Lake Area Foundation in your giving plans. A tax deductible gift of any size is welcome and very much appreciated.

Some of the ways you can help are:

Making a donation of any size

Consider a bequest in your estate plan

Advising any board member of someone who may contribute to the success of the Mountain Lake Area Foundation

And finally THANK YOU! Thank you for your past support...thank you for your continued interest...and thank you for taking an active role in making the Mountain Lake Area Foundation a success!

Please reach out to us with any questions.
