Mountain Lake Community
Center

Planning an event this year? The Mountain Lake Community Center is available to rent and takes reservations on a first-come, first-serve basis. Rental cost is \$200 for the whole day and damage deposit is \$200 (returned if everything is returned as you found it). Visit our website to view pictures, current information, and how to make a reservation.

The community center bathrooms are currently being remodeled, and will be closed during construction.

Mountain Lake Economic Development Authority

Turn Your Business Dreams Into Reality with

Mountain Lake EDA!

Are you looking to start a new business, expand or grow your current business? The Economic Development Authority (EDA) is here to help you every step of the way.

Whether you're just getting started or looking to take your business to the next level, the EDA offers a range of resources, funding options, and expert guidance to help you succeed.

Contact the EDA today to learn how we can make your business dreams a reality!

507-427-2999 Ext. #3

Thanks to the proactive nature of the EDA Board and City Council and their forward thinking of investing in the commercial park and Lakeview Estates. There are local entrepreneurs interested in developing these areas. The EDA team is aggressively working to bring these projects to fruition. If you're interested in investing in our community and want to be part of a local investment group, please let us know! We will provide updates as they materialize. The EDA will continue to provide regular updates in this newsletter.

Mountain Lake, "The Next Big Thing"

Mountain Lake Events & Activities

Visit our website, www.mountainlakemn.com, to view all city council, commission, and board meeting dates and times along with any other community activities taking place in Mountain Lake. The main calendar is on the bottom of the home page.

Service Disruption

Power outage or a water/sewer disruption at your home or business during normal business hours? If during business hours (8:00AM - 4:30PM) call the Utilities Office Manager at 507-427-2999 ext.6. If there is not an immediate answer, leave a voicemail and call Cottonwood County Dispatch at 507-831-1957 to report your outage or disruption.

Power outage or a water/sewer disruption at your home or business after normal business hours? If out of normal business hours (business hours are 8:00AM - 4:30PM), please call Cottonwood County Dispatch at 507-831-1957 to report your outage or disruption. There is no utility staff present at city hall out of business hours.

For emergency situations (such as a fire, live wires on the ground, etc.), please call 911.

CITY OF MOUNTAIN LAKE BUILDING PERMITS

What's a building permit?

A building permit gives you legal permission to start construction of a building project in accordance with approved drawing and specifications.

What good does a permit do?

Your home or business is an investment. If your construction project does not comply with the codes adopted by the city or the state, the value of your investment could be reduced. Property insurers may not cover work done without permits and inspections. Your permit also allows the code official to protect the public by reducing the potential hazards of unsafe construction and ensuring public health, safety, and welfare. By following code guidelines, your completed project will meet minimum standards of safety and will be less likely to cause injury to you, your family, your friends, or future owners.

When do I need a permit?

Permits are required for:

- ⇒ Shingling and roofing
- ⇒ Siding
- ⇒ New house
- ⇒ Any new additions
- ⇒ Egress windows
- ⇒ Fences
- ⇒ Decks
- ⇒ Mechanical items (furnace, air conditioner, rooftop unit, fire place, etc.)
- ⇒ Plumbing items (adding new fixtures or changing piping)
- ⇒ Attached or detached garages
- ⇒ All commercial work
- ⇒ Moving buildings onto property lot (house, shed, garage, etc.)
- ⇒ Any exterior structural change to a building including changing door or window size or location
- ⇒ Any interior remodeling that includes moving walls, sheetrock, insulation, plumbing, finishing basements (tiling or water proofing), etc.
- ⇒ Storage sheds or buildings 200 square feet or larger (under 200 sq feet only requires a zoning permit)

How do I begin the permit process?

Permit documents can be picked up at City Hall or viewed on the city's website. Return the permit and any other required documents to City Hall. Once approved by city staff and the city's building inspector, work can begin. Please call City Hall or the building inspector directly to schedule needed inspections or a final inspection. If a project is not inspected, the permit remains open leading to potential hazards, unsafe construction, or potential property insurer issues. Beginning a project without a valid permit could lead to a fine twice the permit cost. For any questions, please contact the city administrator at 507-427-2999 x1.
