**Mountain Lake Community Center
Update**

New flooring and carpet will be installed at the Mountain Lake Community Center at the end of March.

The community center will be closed to activities tentatively from March 21 to April 5. Depending on installation will determine the exact dates the community center will be closed. Thank you to all who have donated or volunteered their time!

Mountain Lake Community Center Renovation

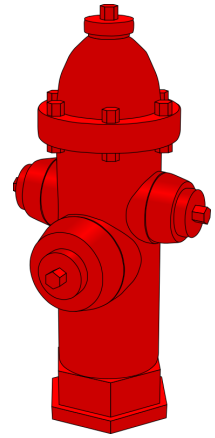

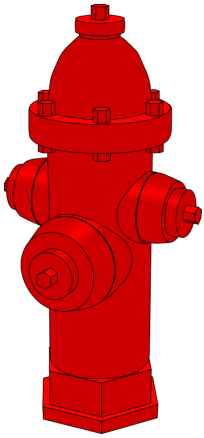

Various volunteers in Mountain Lake desire to renovate the Mountain Lake Community Center. The community center recently was painted and new window tint was applied to the south windows. New flooring and carpet will be installed this month. Possible future projects include: new ceiling tiles, new tables and chairs, new kitchen floor, new decorations, etc. (as grants and donations allow). If you are interested in donating to this renovation project, donations can be made out to:

Mountain Lake Area Foundation
P.O. Box 123
Mountain Lake, MN 56159

If you are interested in donating your time or labor or have any ideas for the community center, please call 507-427-2999 X1.

SNOW, SNOW, SNOW!

As the snow continues to fall and pile up, the Mountain Lake Fire Department is asking residents to help dig out fire hydrants around the city to allow quick access for emergencies. Thank you for your attention and assistance to this matter and we hope spring is just around the corner!

Mountain Lake Municipal Utilities FAQ:

I'm moving - How do I close my account?

Tell the MLMU office the date you are moving, so the meters can be read to finalize your usage and the address you are moving to so you can get your deposit back or your final bill. The meter deposit we are holding will be used to pay your final bill. If your bill is smaller than your deposit you will get a check for the difference, but if your bill is larger than the deposit you will get a bill for the difference.

If I am gone all month why do I still have a bill?

If you use no water, sewer or electric you will be charged the base charges unless you have the MLMU shut everything off. The base charges bring service to your house, these rates pay for operation and maintenance of our system.
